Revised Safeguarding Policy (June 2024)

Please see below for Archery GB's most recent safeguarding policy and procedures. Please follow the links to familiarise yourself with the information and guidance.

Revised Safeguarding Policy

Following a full review by the safeguarding team, Child Protection in Sport Unit and Archery GB's independent Chair of the Case Management Panel, the Safeguarding and Protecting Children and Young People policy was published in June 2023.

The review incorporated legislative changes together with learning from the Whyte report, safeguarding and conduct cases. We have also created two guides and a separate reporting procedure which work alongside the policy.
