I will take personal responsibility and tell you about any changes to my personal information where my behaviour or conduct has or is may be perceived to have breached this code of conduct.

Self-reporting is a positive way of enabling a potentially difficult issue to be addressed at the earliest opportunity and demonstrates self-awareness of the adults' actions and how they can be perceived, plus maintaining a culture where everyone aspires to the highest standards of conduct and behaviour.

Personal information provided to the Archery GB safeguarding team is treated with the strictest confidence.
